About our training:

East Sussex LSCB provides a **thriving training programme** which is well respected by partner agencies. The LSCB Training Programme 2019-20 provides a wide range of courses to ensure professionals who work with children and families stay up-to-date with current local and national safeguarding practice.

Evaluation feedback from courses is used to improved the range and content of courses we deliver, and we are continually developing our training offer to ensure that it meets the needs of professionals working with children and families.

Courses are free to staff from Local Safeguarding Children Board (LSCB) member organisations.

This leaflet provides examples of the range of courses the LSCB offers, but it is not an exhaustive list. Please refer to the Learning Portal for the latest information.

How to book:

Unless specified, LSCB courses are open to all staff from statutory, non-statutory and private/independent sectors, including staff members from local district and borough councils, who work with children, young people and their families or who work with adults who have child care responsibilities. To apply for a course go to the East Sussex Learning Portal:
